MEMORANDUM FOR THE RECORD

25X1D1a & NSA

SUBJECT: Negotiations with NSA Concerning
Requirements [REDACTED]

25X1D1a & NSA

1. On 14 May, the Acting Assistant Director, after being briefed by Messrs. [REDACTED] on their unsatisfactory discussion with GENS-3, NSA on 12 May, presented the ORR file on the [REDACTED] problem to the Assistant Director/CI and requested an early meeting to agree upon the next course of action.

2. On 22 May, Messrs. Sheldon, [REDACTED] OCI met with [REDACTED]. Mr. Sheldon opened the discussion by stating that obviously the only thing to do was to prepare a letter to Gen. Samford for Gen. Cabell's signature. Such a letter should be coordinated with Gen. Walsh and reflect the Air Force's known interest in [REDACTED] from NSA. [REDACTED] will draft the letter (making use of an ORR position paper on the subject) and coordinate with ORR and the Air Force. Since this action was precisely what ORR wished to recommend, we thanked Mr. Sheldon kindly and arose to leave the shortest and happiest meeting of the year. As we did so, Mr. Sheldon admonished us not to wait so long to register any further complaints about NSA. We assured him that this was "au revoir", not "goodbye".
